**Re:** Update regarding your Medical Malpractice Insurance

---

### **Important Information for your Medical Malpractice**

TMLT is offering an additional discount on top of the discount you receive through NTENT if your hours have decreased due to the COVID-19 crisis. You can change your rating classification, but you must activate by calling the number below.

1. If your current practice is less than 32 hours per week, they can offer a 25% discount.

**In order to activate, please call 800-580-8658.**

If there is anything NTENT's office can do for you, please let us know. If you have any questions, please call us at 972-599-7865.
