

UnitedHealthcare Fee Schedule Amendment

Deadline May 22

This is a friendly reminder that **Friday May 22nd** is the deadline to send in your letter opposing the proposed change in your fee schedule. You can send your letter via email to desiree_c_votaw@uhc.com

NTENT Important Meeting

Option to Declining Fee Schedules - Single TIN Discussion

With the inability to contract as a group and the constant declining of fee for service, NTENT would like to present to our members the option to operate as a group without walls under a single TIN. NTENT will host an informational meeting in mid-June (location to be announced soon) with legal counsel to discuss the requirements and how the single TIN would work.

We would like each member to join us to listen and ask your questions of what it takes to achieve this initiative. If you want an option to the declining of fee schedules and to have a voice, please join us for this important meeting. This is the only option to allow NTENT members to operate as a group without walls and to contract with payors as a large group. More information coming soon on the location and date for meeting.
